

# Acorelle

## ROYAL WAX

Beeswax & white lily extract

The 1st organic wax without strips,  
100% natural, organic certified

### MORE EFFICIENT

The formula with natural pine resin is efficient on short hairs and guarantees professional results up to 4 weeks long.

### MORE PRACTICAL

Perfect for a complete waxing of sensitive parts (underarms, bikini line, face). Can be easily spread in very thin layer after a quick heating in the microwave (2min). No strips needed to take it off.

### MORE SOFTNESS

An exclusive formula certified by Ecocert, perfect to remove smoothly all types of hairs. Contains organic beeswax and white lily extract with soothing and protective benefits.

An ecological and organic cosmetic certified by ECOCERT Greenlife as per referencing available on <http://cosmetiques.ecocert.com>

100% of the total ingredients are from natural origin  
19.6% of the total ingredients are from organic farming
